Now hiring Registered Behavior Technicians

Make a meaningful impact helping clients grow, learn, and succeed.

Mon–Fri 8 AM–5 PM	No credential? We train you	Free BCBA/BCaBA fieldwork supervision

Your role

Under the supervision of a BCBA, provide one-on-one ABA therapy in our clinic, in family homes, and in the community.

Implement plans

Carry out individualized treatment and behavior intervention plans.

Build life skills

Communication, socialization, self-care, feeding, and positive behavior.

Weekly supervision

Ongoing mentorship from our BCBAs, BCaBAs, and BCBA-Ds.

Expand your skills

Assist with assessments, indirect clinical tasks, and training new staff.

No RBT credential yet? We train you.

A 3-to-4-week onboarding program of video learning, hands-on in-person training, and competency assessments helps you earn your RBT credential within your first 90 days.

Grow your career

Advance internally to Training RBT, Lead RBT, or RBT Requirements Coordinator.

Pursuing grad school? Accrue fieldwork hours with supervisors who have taught graduate courses, presented nationally, and published peer-reviewed research.

Benefits

- Health insurance with company contribution after introductory period
- Optional short/long-term disability and life insurance
- PTO and paid holidays for full-time RBTs after 6 months
- 401(k) match up to 4% after one year
